

DANVILLE HIGH SCHOOL BAND OF VIKINGS MARCHING BAND 2010-2011 SEASON

What is the BOV (Band of Vikings)?

The DHS Marching Band is an all-volunteer, extra-curricular music group that serves several purposes. This volunteer group will draw only the most dedicated and motivated students, resulting in a marching band that has the desire to strive for the next level of quality performance.

The Band provides half-time entertainment at all home varsity football games, as well as acting as a spirit unit. The Band also travels to a number of marching band competitions throughout the fall. Furthermore, the Band supplements community events with its participation in local parades and functions. The Marching Band plays a vital role in raising morale throughout the Danville Community.

Why should I be in the DHS Marching Band?

The real question should really be: Why *shouldn't* you be part of it? The Band provides positive experiences musically, socially, and on a personal level. It provides students with the opportunity to perform in a quality ensemble and to be challenged both musically and physically at the same time. Few activities teach you as many concepts at once as the marching band. As a member, you will learn to improve yourself in the areas of musicianship, personal responsibility, discipline, social interaction, and physical coordination.

As an incoming freshman, the band provides the chance for you to get to know sophomores, juniors, and seniors before the first day of school. The older students are extremely willing to help out their fellow band members find classes, find lockers, with homework, and any other problems you may encounter along the way. The band provides you with a STRONG social support group right from day one to help ensure your success at Danville High School.

In addition, you may qualify for a one semester P.E. waiver with your participation in the BOV.

What time commitments are involved?

Attached in this packet is a list of performance and rehearsal dates. Most rehearsals are right after school from 3-5PM. Attached is a *tentative* calendar for the fall. We perform at all home football games and 4 to 5 competitions. As a member of the band, we expect the commitment from you to attend ALL performances, as the success of the ensemble depends on the contributions of everyone. In addition, your attendance at rehearsals is vital to your success because new material will often be learned. This is a TEAM activity in which all members are essential. All members have a place and a function in creating a complete performance.

What is the attendance policy?

You are expected to attend everything on the attached schedule. There will be days that rehearsals are **not** scheduled. Please take care of doctor appointments, senior photos, etc. on those days. An absence will only be excused if you have an excused absence from school that day, or if you notify Mr. Leeb at this point in time that you have a prior commitment (this should be indicated, in writing, on your commitment form). Any student with *two unexcused absences* from rehearsals will NOT receive a P.E. waiver. Any student with *one unexcused absence* from a performance will NOT receive a P.E. waiver. Ineligibility absences from a performance will constitute an UNEXCUSED ABSENCE! Any student with *more than five absences* will NOT receive a P.E. waiver. Missing more than 30 minutes from any rehearsal will constitute an absence, even if it is for a school related activity (school related activity will be considered an excused absence however.) If you are excused absent from school, your absence from rehearsal will be excused, but will count towards your five absences.

What if I have a conflict with a rehearsal or performance?

We all realize and understand that sometimes, unavoidable conflicts occur, especially with other school events and activities. The DHS Bands have a very good working relationship with the Administration, Athletic Department, and Faculty, and we are always willing to work together to compromise on conflicts. By signing the Marching Band Commitment Form, **we are expecting that you have checked the attached calendar with your personal calendar, and will retain the calendar for future reference.** Use the calendar well in advance to help *avoid* conflicts. Please schedule appointments at other times. The Band Department respects your time and will *rarely* change from this schedule that is issued MONTHS in advance. In return, please respect the Marching Band's rehearsal and performance times and make it a point to be at every rehearsal from beginning to end. If a conflict arises, solutions can be worked out with plenty of **advance notice**. The Band Department strives to be organizationally efficient. Please do not make the Band Department suffer because of others' poor planning. Respect prior commitments and attend scheduled rehearsals.

We want to work with all of the students to help them resolve conflicts, and help each student become more organized in scheduling their busy lives. We expect students to fulfill their commitments to the marching band, and we *expect the parents to help teach their children about keeping a commitment*. **Since all circumstances are different please do not assume that an absence is excused without discussion with the director.**

How much does it cost?

The fee for marching band is \$135.00. You will also be asked to buy specific marching band shoes (ordered through us) that will cost approximately \$25. This is potentially a one time purchase (depending on your growth). Along the way there may be additional costs for extra trips or events. Percussionists may be expected to pay fees for sticks or mallets, and guard members may be expected to pay some additional uniform costs. This cost is expected to be paid by the start of Band Camp. Special arrangements for payment of fees can be made with discussion with Mr. Leeb and our IMB Treasurer.

What if I don't know how to march?

Well, you didn't know how to walk at one point in your life, but you learned how! The Band has a number of top-notch instructors along with experienced veterans of the Marching Band. You will be taught through methodical instruction all the necessities of becoming an expert marcher.

Do I have to audition?

Plain and simple, the answer is no. As long as you are a member of the DHS Music Department, we've got a spot for you. Wind players must be enrolled in a curricular band class, percussionists and guard may be in orchestra or choir as well.

When is the deadline?

The commitment form is due on Friday, May 28. Only those students that return their registration packet and signed commitment form will be guaranteed a spot. The show must be written for an EXACT number of students, and therefore we must know our numbers at that time.

I hope this has answered your questions about the 2010-2011 season for the DHS BOV. If you have any questions, please call the Band Office at 217-444-1541, or e-mail Mr. Leeb at MaestroLeeb@danville.k12.il.us

Everyone wants to be a member of an organization where he or she has value, is wanted and needed, plays a vital role in the success of the group, and is recognized for his or her contribution. With your participation, you are helping to set the stage for years to come. If you haven't been a part of it before, now is the time to start. *If you were a member of the Marching Band last year, then we need your skill and expertise to help give others the experience you've already had!!*

Retain this calendar and place it someplace where EVERYONE in the family will have access. It is incredibly important that family members communicate with each other so that BOV members can follow through on their commitment. Write these dates in your personal calendar so that you DO NOT schedule on top of these dates!

**On Thursday, August 12, we will be taking a voluntary trip to Indianapolis to see the Drum Corps International quarter final competition. These drum and bugle corps are among the best marching and musical units in the world and set a great example for the type of excellence we are trying to achieve. It is a great learning experience and a fun trip as well. The first 50 students to submit their commitment form and payment will be guaranteed a reservation. If necessary, we will order more tickets so that as many students as possible can go, but those who purchase early will have better seating for the event.
